Cool - thanks - I'll read tomorrow - I am working (should at least be quiet---) :) I'll need to catch up --

Did you all set an agenda for meeting w/ Craig next week - is Ed doing that? I'm curious if it's worth me being there --- I kinda want to hear first hand from CJ parting words but suppose it depends on the agenda---- and what will be covered---

The agenda might be in my email - I have a box full !!

=====

Attached is a semi-final version of the CSM outline. Eugenia and I will be producing a first draft based on this by the end of the month.

Ray had substantial edits - they are reflected here. We can discuss both

versions today.

I have re-tooled the CSM Outline to try to reflect what we discussed at our first meeting. See if this is better. We'll discuss this and the ST System

Understanding at our next CSM meeting (Tues 11/9 at 1-3pm in Room 1922B).

(We are presumably getting the draft ST System Understanding today - either Eugenia or I will forward when we get it.)
